**** **Please Note** **** There is no school for High School Students on Thursday, Feb 1st because of a scheduled marking day for teachers. In the event school is cancelled during the exam period, the whole schedule simply moves forward and resumes on the day we return (i.e. If there was a storm day on Friday, January 26th and we returned to school on Monday, January 29th, Friday's exams would be written on Monday and Friday Feb 2nd would become the marking day.)
